CURRENT

Research Professor of International Affairs The George Washington University

Direct and manage high-level policy research and outreach programs about nuclear security to foster nonpartisan analysis, discourse and consensus among Executive Branch officials, members of Congress and staff, and senior policy experts. (2012 – present)

Senior Fellow Association for Diplomatic Studies and Training Foreign Service Institute

Chair of Senate Observer Working Group (funded by the Carnegie Corporation of New York) and the Consensus for American Security. (2008 – present)

PREVIOUS

Professor of International Affairs Graduate School of International and Public Policy University of Pittsburgh

Taught full course load of national security graduate classes including Introduction to Military Strategy, Ethics and National Security, Advanced Intelligence Techniques, Proliferation of Weapons of Mass Destruction, and the History of Nuclear Weapons. Served as Deputy Director of the Ridgway Center, Vice-President of the Faculty (elected), and chair or member of seven doctoral committees. (2004 – 2010)

Project Director
Institute for the Study of Diplomacy
Georgetown University

Conceived, organized and chaired a series of studies at Georgetown funded by the John D. and Catherine T. MacArthur Foundation involving senior policy-makers and intelligence officials to examine the interaction of intelligence and policy failures and the challenges of providing intelligence support to inform counterproliferation diplomatic strategies. Detailed case studies about strategic failure and why efforts to stem regional nuclear proliferation succeeded or failed -- published as monographs by Georgetown. (2003 – 2009)

Foreign Policy Director
The Century Foundation of New York

Managed foreign and national security programs, including research projects, book contracts, and media and public events for New York-based public policy foundation and publisher. (1997 - 2001)

Senior Fellow
The Brookings Institution

Conducted research projects and published numerous books, monographs and articles about international security policy, the international technology market, weapons proliferation and export controls, nuclear plans and doctrine, and the U.S. national security apparatus. Established and chaired Brookings' National Security Forum for Congressional staff and media and the Brookings foreign policy doctoral fellowship committee. (1986 - 1997)

National Security Adviser
Office of Senator Gary Hart (D-Colorado)

Served as the Senator's senior foreign/national security policy adviser, staff director, and senior staff representative for the Senate Armed Services Committee. (1982-1986)

Senior International Security Consultant
Science Applications International Corporation

Managed research contracts for the Office of the Secretary of Defense in the areas of strategic missile defenses, nuclear doctrine, and the military uses of space. (1981-1982)

Visiting Scholar
Center for Strategic and International Studies

Conducted research projects on the impact of defense investment on economic performance and development strategy in newly industrial countries. (1981-1982)

Foreign Affairs Officer
Department of State

Specialized in the management and analysis of conventional arms and dual-use technology diffusion, export controls, NATO military modernization and Asian security. Served as member of official delegation negotiating with Russia to achieve constraints on the sale of advanced arms and technologies to developing countries. (1977-1981)

OFFICIAL APPOINTMENTS

- Strategic Posture Commission of the United States: Congressional panel chaired by Secretaries of Defense Schlesinger and Perry to draft guidance for a new Nuclear Posture Review. Appointed member of the working group on deterrence policy. (2008-2010)
- National Defense Panel: Member of Congressionally-appointed panel conducting yearlong review and oversight of the Pentagon's first Quadrennial Defense Review. (1999)
- Defense Policy Board: Member of advisory board to the Secretary of Defense (1993-2001)
- The Commission to Assess the Organization of Government to Combat Proliferation: (Chaired by DCI John Deutch and Senator Arlen Specter, R-PA) Member of congressionally appointed commission charged with analyzing organizational challenges in the U.S. decision-making apparatus for intelligence and non-proliferation policy. (2000-2001)
- Department of State's 1998 Accountability Review Board: (chaired by Admiral William Crowe) Investigated decision-making relating to the security of U.S. embassies leading up to the Al Qaeda terrorist attacks in Kenya and Tanzania (1998)
- The Commission on Intelligence Assessments of Ballistic Missile Threats: (Chaired by Robert Gates) Member of congressionally appointed commission to review the validity and objectivity of the intelligence community's assessment of the emerging ballistic missile threat to the United States. (1997)

- Presidential Advisory Board on Arms and Technology Proliferation Policy: Chairman. Chaired White House commission on U.S. policy and governmental organization to manage the global diffusion of military technology (1995)
- Non-Proliferation Advisory Panel: Member of advisory panel for the DCI on non-proliferation issues. (1994-1997)
- Board of Distinguished Advisors, Sandia National Laboratories: Member of expert panel on nuclear developments, verification, and stockpile safety issues. (1993-1999)

PROFESSIONAL AFFILIATIONS AND BOARD MEMBERSHIPS

Board/Committee member: ArmsWatch (Human Rights Watch), Arms Control Association, Chemical and Biological Arms Control Institute, Foreign Service Council, International Institute for Strategic Studies (Executive Committee) Institute for Foreign Policy Analysis, No Labels (founding member) Pittsburgh, Middle East Institute (founding member), Women in International Security (advisory)

Other Appointed Memberships: American Academy of Arts and Sciences (Committee on Science and Security, second 5 year appointment), Council on Foreign Relations, Hewlett Foundation Nuclear Futures Advisory Group, The Cosmos Club, Aspen Strategy Group (Distinguished Emeritus).

Other:

Institute for the Study of Diplomacy, Georgetown University, Chair of the Working Group on Dissent, Discourse and Strategic Surprise: “Intelligence and Security in a World of Uncertainty.” (Supported by the John T. and Catharine D. MacArthur Foundation, (2006-2008)

School of International and Public Affairs, Columbia University, Professor of International Security: Courses in international technology and military strategy (1999, 2009)

Security Studies Program, Georgetown University, Senior Research Professor and Adjunct Professor. Graduate courses in The Evolution of Nuclear Policy, Weapons of Mass Destruction, Ethics and National Security.

Consultant:

Carnegie Corporation of New York
 Center for American Progress
 Center for Defense Information
 Center for Strategic and International Studies
 Century Foundation of New York
 ConnectUS

Department of Defense, Office of the Secretary
DFI International
Ford Foundation
Henry L. Stimson Center
Hewlett Foundation
Institute for Defense Analysis
Lawrence Livermore Nuclear Laboratory
Johns Hopkins Applied Physics Laboratory
Merrill-Lynch Corporation
National Intelligence Council
New American Foundation
Office of the Secretary of Defense
Office of the DCI
Rockefeller Foundation
Sage Associates
SAIC Corporation
Strategic Assessments Group
U.S. Army Chief of Staff
U.S. Department of State
U.S. Institute of Peace

- **Foundation Adviser:** The Carnegie Corporation of New York, Compton Foundation, Connect US, The Ford Foundation, Hewlett Foundation, The Kettering Foundation, The John T. and Catherine D. MacArthur Foundation, Peace and Security Initiative, Ploughshares Fund, The Rockefeller Foundation, Stanley Foundation, WAND, W. Alton Jones Foundation, Winston Foundation.

EDUCATION

- Ph.D., Fletcher School of Law and Diplomacy, Tufts University
- Masters of Law and Diplomacy, Fletcher School of Law and Diplomacy
- Middle East Studies graduate courses (in fulfillment of Fletcher doctoral requirements), Harvard University
- BA, Political Science and Foreign Languages, Antioch College

HONORS and AWARDS

- Ploughshares Foundation, Research Award to support the work of the Arms Control Working Group and the Consensus for American Security (2010, 2011)
- Carnegie Corporation of New York research grants (1987, 2009, 2010, 2011, 2012)
- Ford Foundation, Research in International Security Grant (1982, 1986, 1993, 2005)

- John D. and Catherine T. MacArthur Foundation Fellow (1988, 1994, 1998, 2004, 2006, 2008)
- Council on Foreign Relations International Affairs Fellowship (1986-1987)
- Stanford University Center for International Security and Cooperation Doctoral Research Fellow (1981-1982)
- Institute for the Study of World Politics research grant (1981)
- The Rockefeller Foundation doctoral research fellow (1978)
- Scaife Family Foundation Doctoral Research grant (1978)

RECENT GRANTS

- Ploughshares Foundation (2010 - 2012): Research and general support grant awarded to Janne Nolan in support of ongoing professional activities enhancing bipartisan discourse about American nuclear security.
- Carnegie Corporation of New York (2009- present): To support the establishment of the Arms Control Working Group of senior experts and former officials to undertake activities in support of nonpartisan nuclear security policy formulation.
- Ford Foundation research grant (2004-2007): To support work undertaken by Janne Nolan and the Ridgway Center on The Logic of 21st Century American Security, examining the effectiveness of new policies and institutions arising in the US to combat global threats after 9/11. Ongoing consultations with the Ford Foundation (1995 – 2010)
- Eisenhower Conference Series (2003-2006): Contract from Army Chief of Staff to Janne Nolan to designate the Ridgway Center as one of three co-sponsors of the Army's annual policy conference in Washington, D.C. and to organize and chair panels for this event. Served as conference master of ceremonies in 2004. Conference attended by several hundred participants and webcast worldwide.
- Aspen Strategy Group: Funds raised from private donors to support the efforts of this select membership group (co-chaired by Brent Scowcroft and Joseph Nye)
- Institute for the Study of Diplomacy, Georgetown University (2004-2010): Awarded two grants for \$500,000 by the John D. and Catherine T. MacArthur Foundation to support research on the role of informed dissent in American foreign policy formulation and how constraints on discourse affect American strategy, interests, and democratic governance.

- Stanley Foundation (2008): Operational grant to support the development of a Pittsburgh-Middle East Institute, beginning with events in September 2008 to include a conference and dinner series chaired by Paul O'Neill and featuring NYT columnist Tom Friedman, CNN commentator Fareed Zakaria, and former Secretary of State Madeline Albright.

UNIVERSITY OF PITTSBURGH HONORS AND SERVICE

- Faculty Vice-President, 2007-2008
- Curriculum Review Committee (CRE) – Chair, 2006
- Ph.D. Final Examination Committee, International Affairs
- Johnson Institute, Committee for the Institute’s annual award for outstanding research in ethics and public policy - 2005,2009
- Co-Founder, Pittsburgh Middle East Institute
- UCIS Selection Committee for Professor in Global Studies, Benter Endowment, 2007
- Global Decisions: Speaker series featuring prominent foreign policy/national security officials, experts and media representatives, featured in local media.
- Deputy Director, Matthew Ridgway Center for International Security (2004- 2006)
- RAND Corporation: Initiated ongoing collaboration with the president and senior staff for seminars, special tutorials for GSPIA students, prospective career opportunities for GSPIA graduates
- Faculty Chair, Ridgway Center faculty and research projects on intelligence reform and internal security (2004-2006)
- Fund raising from Ford Foundation, The John T. and Catherine D. MacArthur Foundation, Smith-Richardson Foundation, Ploughshares Fund, Bentley Foundation, Stanley Foundation, and individual philanthropists in Pittsburgh, New York, Palo Alto, and Washington, DC
- Established standing internship programs and post-graduate employment opportunities (Detica/DFI, Henry L. Stimson Center and other leading international consulting firms in Washington, D.C.).
- Employment and internship opportunities for GSPIA students at GlobalOptions, the Nixon Center, the Monterey Institute, the Center for Strategic and International Studies, the Center for Peace and Security, the Monterey Institute and former SecDef Donald Rumsfeld.
- Academic Integrity Session for GSPIA students (review of research and professional ethics)

EVENTS ORGANIZED AND CHAIRED AT PITT

- Secretary of State Condoleezza Rice, Conference with Secretary Rice and GSPIA students at the State Department, March 2007.
- Deputy Secretary of State Richard Armitage, Commencement speaker, 2006
- David Kay, “WMD: Lessons from Iraq; Lessons for Iran” April 2006
- Alexander Lennon, editor-in-chief, Washington Quarterly – organized discussion/reception with staff, faculty, and students on “Iran and North Korea: Unlocking the Proliferation Puzzle,” July 2006.
- Ariel Levite, Principal Deputy Director of the Israeli Atomic Energy Commission, “The Third Nuclear Age” February 2007
- Robert Dreyfuss, National Security Correspondent, Rolling Stone, “Islamism vs. Nationalism in the Middle East: How the Bush Administration is Encouraging the former by Fighting the Latter” March 2007
- Admiral William Crowe – GSPIA sponsored event in Washington, DC, March 2007

WORKING GROUPS AND PUBLIC OUTREACH

- Arms Control Working Group, Carnegie Corporation of New York and Ploughshares Foundation: Chairman of strategy planning group of senior experts and officials to advance the 21st century US nuclear security agenda.
- Commission on Strategic Forces, U.S. Congress, Deterrent Working Group: Ongoing meetings to comment on official drafts of the Congressional Nuclear Posture Review
- Hewlett Foundation, Nuclear Advisory Group, Menlo Park, CA: Advisory Group on Nuclear Futures
- World Affairs Council: Ongoing public and media appearances on international security and intelligence challenges, accountable governance, and the proliferation of weapons of mass destruction.
- American Middle East Initiative: Founding member – assisted in development from initial concept phase to impending implementation of plans to establish an institute on Middle East affairs in Pittsburgh, with special role in raising private donor and foundation funds, brokering a partnership/franchise arrangement with leaders of the Middle East Institute in Washington, and spearheading policy conference to follow inaugural event with Tom Friedman and Paul O’Neill in September 2008, Fareed

Zakaria in October 2009, Madeleine Albright in 2010, Henry Kissinger in 2011.

- Peace & Security Initiative Funders, Washington, DC: Presentations to funders' consortium (December 11, 2008, June 30, 2008, December 11, 2007, November 13, 2006)
- Pocantico Foundation Presidents' weekend retreat: planning meeting for presidents and officers of the Hewlett, Rockefeller Brothers, OSI (Soros), Gates, Ford, MacArthur, Ploughshares, and Proteus foundations held at Pocantico, New York, to discuss future research funding priorities. Invited as outside presenter. September 2007.
- Stanley Foundation Future of the American Nuclear Posture: Steering Committee, 2007 – present
- New American Foundation: Nuclear Futures Project contributor (2007 – present)
- Institute for the Study of Diplomacy, Georgetown University, “America’s Role in the World,” Study Group Member, 2006-2010
- Schlesinger Working Group on Strategic Surprise (November 28, 2006; February 26, 2007; April 30, 2007; June 14, 2007; and fall of 2007) Additional meeting to be held in Doha, Qatar.
- NPR All Things Considered interview – Robert Gates Hearings (December 5, 2007)
- Century Foundation and the Center for American Progress – Consultant and presenter, Conference on Reversing the Erosion of the Non-Proliferation regime. Washington, DC (December 19, 2006)
- Featured Guest on KQV News Radio – “Turmoil in Washington & Iraq” (Feb. 2007)
- Ford Foundation Interaction Institute for Social Change – Laboratory for New Thinking on Foreign Policy: Justice and U.S. Foreign Policy, Boston, MA (February 20 – 22, 2007 and September 10, 2007)
- Temple Sinai’s 2007 Authors’ Roundtable sponsored with Politics and Prose, discussion of Discourse, Dissent and Strategic Surprise, Washington, DC (March 17, 2007)
- University of California, IGCC: Keynote and summer seminar, “The Future of American Nuclear Doctrine”, May and December 2009
- Bulletin of Atomic Scientists, Board of Directors, speech to directors’ retreat, Carnegie Endowment, November 2009.
- Ongoing media interviews with local and national publications – National Public Radio, C-SPAN, CNN, Wall Street Journal, Washington Post, New York Times, Reuters, Associated Press, Slate, Wired, The New Republic – 1985- present.
